Date of event:	8 th June 2022
Name of Outing Organiser:	Mike Foster

Written risk assessments aid organisers to think about possible risks and take action to minimise them. This template is an example and can support leaders to think about possible hazards.

The organiser should send a copy of the risk assessment to the General Secretary.

INTRODUCTION

Normal Monthly Codgers meeting to take place on 8th June 2022
General ringing to suit the level of attendees.

Sussex County Association of Change Ringers

What are the hazards?	Who may be harmed and how?	Control measures: What needs to be done or has been done already?	Details, what, if any, further action is necessary?	Action by who?	Action by when?
