The Vision at the SCACR AGM

The Vision Working Party has spent the past year looking at how we can ensure that our Association achieves its aims in the 21st Century. The proposals for change have been discussed at local meetings and by the General Committee and a new set of rules have been developed. These will be presented for consideration by all members at the Association AGM on **Saturday 10th May 2014 at Uckfield** (timetable on Page 1).

A full set of the new rules and accompanying notes are available from the website and sent to each tower correspondent by post. If you would like your own copy ahead of the AGM, please contact Marisa.

Quarter Peal Week at Southover, Lewes

Ringers from Southover (Lewes) rang 8 Quarter Peals for Association Quarter Peal Week in January. These involved 26 different ringers, 24 of whom were members of the tower. There were 8 firsts, and 7 of the ringers were junior members of the band. Thanks go to our tower captain Clare Cullen for organising this. Don't worry we didn't subject our locals to all this ringing as most of them were rung on our simulator. Details below

In Memoriam - Ronnie Hunter of Good Shepherd, Brighton

A quarter peal of Grandsire Triples was rung at the Good Shepherd, Brighton, on Easter Monday in memory of Ronnie Hunter. Ronnie, who passed away on 11 March 2014 aged 92, was the husband of Pat, the Good Shepherd Tower Captain. Although he had never been a bell ringer, he would accompany his wife to many events and was well known in the Southern Division. The band comprised friends drawn from several towers.
